## Spring Kickoff Brunch Announced!!!!

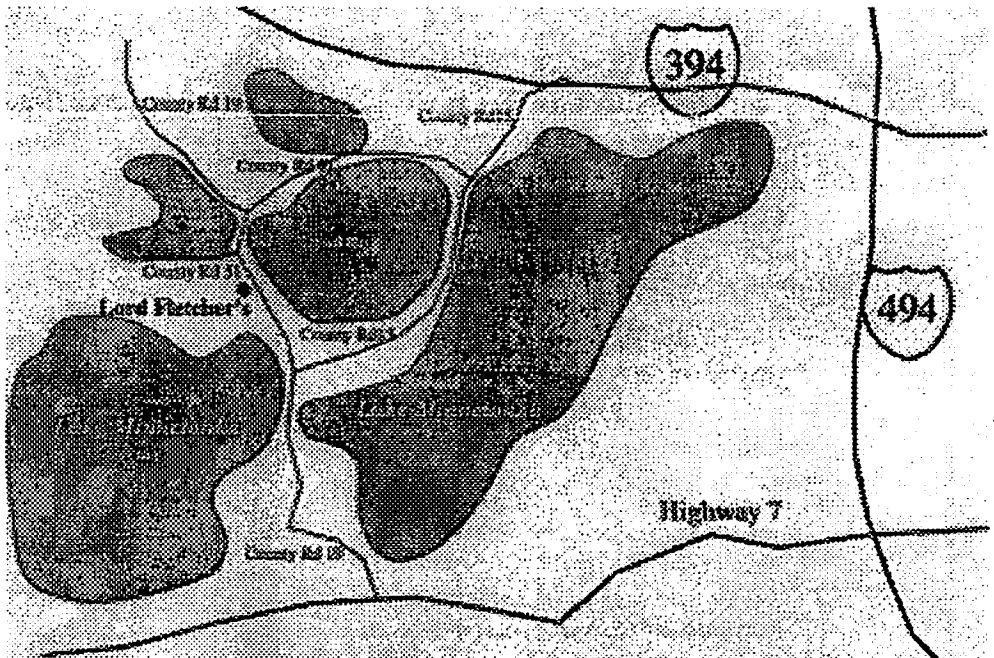

This year, for our annual Spring Kickoff Brunch, we're in for a rare, royal British Treat!

Reservations have been made, and final plans are underway for a truly fine afternoon at the renowned restaurant, Lord Fletcher's of Lake Minnetonka. Set along a beautiful bay with their own harbor, the impeccably decorated dining rooms are adorned with all kinds of British memorabilia including flags, crests, maps, heraldry, and fine lithographs and pictures of famous Brit's and Royal persona. For over 30 years, Lord Fletcher's has built a reputation as one of the finest restaurants in the Greater Twin Cities area. The Minnesota MG Group has been welcomed with open arms, and the staff is being readied to attend to our every need! Our Brunch will begin at 11:00 AM on Sunday, March 22nd and continues with a short meeting and a welcome for new members and friends.

See map. Please RSVP to Curt Carlson at 612-931-3936 or [carlson@navtech.com](mailto:carlson@navtech.com) by 3/15/98 so we can insure the lowest cost possible and so I can report to Lord Fletcher's how many to expect. Brunch price is currently estimated at \$14.00 per person, the more people

who attend, the less cost per person. If you need customized directions, you may call the same number and I will happily run a route for you.

Rouse that lethargic neighbor with the "B" gathering dust in the garage under the boxes and baby clothes. Bring the boss or coworker who's always wanted an MG in the garage. Bring your college-aged kids who need to learn appreciation for a remarkable auto heritage. Let's really KICK-OFF the 1998 season! Mark those calendars! We're in for a treat at Lord Fletcher's!!!

### To get to Lord Fletcher's:

Take I-394 West to County Road 15 west (Shoreline Dr.) in Wayzata; continue on County Road 15 through Minnetonka Beach for 5.9 miles; make a right on County Road 19 (Shadywood Road) in Orono. Continue on Shadywood Road for .7 miles, make a left on Sunset Drive near the SuperAmerica. For those coming from the South: Take State Highway 7 west from Hopkins to Excelsior; Right on County Road 19 (Oak St.); make a right in Shorewood to stay on County Road 19; and continue through Tonka Bay and Orono on County Road 19 (Shadywood Rd). Then left on Sunset Road near the SuperAmerica.

# MMGG Ellingson's Gathering

# Obsolete Batteries

Four MG's ( not bad for the dead of winter) and over 40 MG friends enjoyed a special day full of cars, motorcycles, trucks, toy cars, Barbies, traffic lights, cars, yellow Hudson speedster, (Randy's favorite) nostalgic displays, Laurel and Hardy, muscle cars, Isettas, ( Cindy's favorite) car movies, a 30 cylinder tank engine and lunch. Did I mention cars?

Phil and Sue Ethier from the MN. Autosports Club, were our guest speakers. He enlightened us about the fine art and science of autocrossing. He shared his enthusiasm for driving timed courses around brightly colored and "crushable" orange cones

The MMGG is planning an autocross event in July, please express your interest in participating to Kevin Healy at 892-3519.

Remember!!! Your museum passes are valid for one year, so you all may go back again real soon!

"SafetyFast" Randy Byboth & Cindy O'Brien

As you likely know, the 6 volt Type 17HF battery used in the MGA and MGB has been obsolete for some number of years. During the restoration of my MGA and MGB, I have been researching sources for these batteries.

Moss Motors sells a Lucas manufactured battery at around \$120 each - a bit rich for my blood. The local Batteries Plus stores sell an E-ddc version at \$70.99 each, but have to special order them from Pennsylvania. Try the store at 98h and Lyndale first. They estimate shipping at around \$10 each. A bit more digging, however, revealed another source.

A Battery City at 58 9th Avenue NE in Minneapolis (379-7735) sells remanufactured Type 17EF batteries at \$49.95 each, plus tax and core charge. I purchased two of these for the MGA and so far am very happy with them. They have a moderate number in stock.

In fact, check them out for any of your battery needs. They carry a full stock of batteries, chargers, cables, and anything else you can think of. They are just south of 9th Avenue NE and Marshall, about a mile up river from the Hennepin Avenue bridge.

# April Tech Session

If your MG has the go but no show or maybe needs just a little touch up here or there then come and attend a tech session on Saturday, April 18<sup>th</sup> from 9:00 to 3:00 at Central Avenue Auto Body located at 2628 Central Avenue N.E., Mpls.

We will start the morning with a quick tour of the shop and take a look at the various tools and equipment used in the repair and refinishing of autos today. Following the tour we will cover five (5) areas.

1) materials (plastics, sandpaper, etc.) 2) body repair (rust, dents, panel replacement) 3) refinishing (stripping, priming, paints) 4) detailing (wet sanding, compounds, buffing) 5) saving an old finish, new finish, costs involved)

## GUEST SPEAKER BILL POWERS

From 1:30 - 2:00 Bill who is District Manager for Wirth Products will be on hand. Wirth has a full line of products used in the repair and restoration of autos and I have found them to be about the best there is.

Yes, I know, what about something to eat? Tea and Crumpets (lunch) will be served from 12:00 to 1:00.

Hopefully, I will be able to answer any and all questions you may have and everyone will leave knowing what the terms scuff & buff, mud, reverse tape, orange peel and idiot stick mean. It should be a fun day for all.

Please R.S.V.P. (612) 424-3286 after 6 pm. or leave a message, as I will need a head count. Thank you and let's keep them on the road.

Cheerio and Pip Pip for now !!
