FROM THE CORNER OF MADAM VICE

DAWN WILLIAMS

It seems that the older I get, the faster the months and years go by. Is it like that for you too? I don't know where this summer has gone and it's half over already. We have had some good weather for our MG cars and there has been a lot going on in our club and we still have a lot planned so read on and also put the schedule on your refrigerator so you don't miss any of the rides, picnics and tours that are scheduled for August and then into fall, the best time for our British Sports Cars.

Some of us went to Rendezvous at Pinawa, Manitoba this past June. It was at an all-inclusive lodge in a small Canadian town. The rally planners had some nice tours arranged for us that were very interesting. I went to see the inside of one of the Seven Sister Dams that provides the electricity for Canada. It was very interesting and something I would never have gone to otherwise. Some great craft places to visit and a lovely setting where deer come right into backyards and walk down the streets. Not many of us from our club were there but those of us that were had a great time. The ride up was great and gave us a chance to spend some time with MG friends. We had dinner at the home of Bill and Lorna McReaken in Park Rapids and then went on to Pinawa the next day.

The end of June we had a great picnic at Galberth's in Lakeville. What a great turnout. If you weren't there you missed a good time and some great food. I love picnics.

The Garden party at Bosworth's and Schneider's was a repeat of last year without the rain. What a wonderful day it was and we had a great turnout. I love pulling up to a house where there are British cars of all colors lining the streets. Those two couples give me motivation to pull weeds and plant more flowers and put in ponds. Anybody willing to help? What a relaxing afternoon it was.

On August 1, our MG club has joined with several other British car clubs to sponsor a night at the Velocity Art Show in Hopkins. Each club will be showing 10 cars from each club that they think are the best of each model. Main Street in Hopkins will be closed for this event.

By sponsoring this night we are meeting several goals that we set for ourselves at the last annual meeting. One is to form an outreach program that will build a demand for our hobby and the other is to perform a service project to give something back to the community. The design of this show will allow us to do both things. The proceeds of this night are going to Opportunity Partners, a wonderful agency that works with developmentally disabled people in our area by providing housing, jobs and educational opportunity for young people and adults. We are inviting clients of Opportunity Partners to come and sit in the cars and have their pictures taken.

Please come out and support this worthwhile cause and participate in this unusual and fun event.

On August 9 the 12th Annual Ellingson's Car Show and Swap-Meet is happening in Rogers, MN. It starts at 9 a.m. and only costs \$5.00 to show your car and \$10 for a swap space. What a deal and what a fun day this is. About this time of year I have used up all my jam and jelly and need to visit June Moerke and stock up. If you haven't tried her jams, you are in for a real treat.

On August 17 Jon and Haidi Masley have invited us to their home in Woodbury for a picnic. There is more information in this *Gazette*, so read on and plan to come.

September 13 is Wings and Wheels in Osceola, Wisconsin and this is always a great afternoon. Keith and Vonda Pryor are once again inviting us to their home for an after the event party. They are serving Burgers and Brats with beer, wine and soda. Their address is 20659 Jewel Avenue, Forest Lake and their phone number is 651-433-1366.

There lots coming up but always room for more. If you want to host a picnic or ride, just let us know. There will always be some MG friends that will join you.

You know you get MG Bucks for attending the events. If you wear your name tag you get extra bucks and more yet when you bring your car, your spouse or a friend. They count up and are worth a lot at our holiday party. So come on out and join us, the highway is waiting for you. See you on the road

THE RUBBER B'S
 EDITOR'S NOTES
 TOM & BARB BELONGIA, EDITORS

Thank you to Jon and Haidi Masley for stepping in as hosts for the upcoming Wings n' Wheels. We will be unable to attend this year due to a family conflict and unfortunately had some "date confusion" that led us to volunteer to host and then to seek replacement hosts.

Thanks to Larry Henle for the recap of the group trip to MG2008 and once again to our unofficial (but darn good) Club Photographer, Andy Anderson, for the photos of the picnic at Galberth's. We understand there are more photos coming from other recent events. Thanks to all our contributors — we always welcome any items for the *Gazette*.

Need Car Storage ?

What we have to offer is classic car storage on winter and summer storage contracts. The storage facility is heated, and secured through a computer controlled key access system. Each participant will have their own card and 24/7 access to their vehicle. Our costs are competitive (only \$475 for a 6-month winter contract from November 1st to April 30th), and our facility is clean and tenanted by fellow classic car owners and several medical doctors who use the top level of our four story facility as indoor parking for their respective medical practices.

If you or anyone with an MG ever wishes to tour our facility, we'll be more than happy to set something up, as we are very proud of the premium spaces and facility we that have to offer.

SEVEN COUPLES REPRESENT MINNESOTA MG GROUP AT VALLEY FORGE 2008

BY LARRY HENLE

Seven couples from the Minnesota MG Group recently enjoyed a memorable and exciting experience together attending the North American MGB Register's MG2008 Conference at Valley Forge, PA. The journey started on Friday, June 20th when five of the

couples met at Rockford, IL. The group included Alan and Sharon Kelsey, Dan and Jeanette Shidla, Bill and Lorna McReaken, Rich and Deb Leslie, Barb and Larry Henle, Mike and Donna Hirschman and Ken and Judy

Welty. Much of the trip and the attractions were planned by Rich and Deb Leslie and what a super job they did with highlights that included the Hanover, PA area, Gettysburg, the Boardwalk at Atlantic City, a ride on a ferry and the trip included Intercourse (more about this a little later). After the night in Rockford the group was up early the next morning and on the Road east only to find that getting through or around Indianapolis proved to be a real pain in the neck with two major traffic jams on the interstate. It must have taken the group several hours just to get through. After that nightmare of traffic snarls they arrived in Hanover, PA where they spent two evenings. While in that area they took a bus tour of Gettysburg and viewed the many historic sites and the battlefields of the Civil War. This also included the

new visitor's center that is truly beautiful including the café, bookstore, museum and a movie about the war...the tour included the battlefield,

many, many monuments, especially the monument of the Minnesota Regiment where the group stopped and had their picture taken. After Gettysburg the group headed started on their way to Atlantic City and the Boardwalk, but on the way they stopped for Intercourse, which is a small town in the midst of the Amish Community. This was a real blast to watch the Amish traveling about the town in their horse drawn carriages. The horses were some of the most beautiful and graceful animals you could imagine....the gals had fun doing some shopping in the many, many stores featuring Amish items such as quilts, furniture, etc. The day was finished up by arriving in Atlantic City and the Boardwalk...and what fun this was. The Boardwalk is just what it says...a

walk way that is made of planks of boards about 30 feet wide with the beach and Atlantic Ocean on one side and literally dozens of gifts shops and Casinos on the other side.

That evening they enjoyed a most complete Buffet Dinner at Donald Trump's huge, huge Casino. Up early the next morning so the group could walk the beach and Rich Leslie could

dunk his toes in the Atlantic Ocean. Plans were to leave early to catch the Ferry Boat and be on the way to Valley Forge for the Conference....Some problems with Shidla's car caused some delay, but with the expertise of Mike Hirschman, Rich Leslie Dan Shidla, and Dan Iburg on the phone, the car was up and running and they just made the Ferry board-

ing in just the nick of time. After signing in the Conference the group had a super time with bus tour to Philadelphia to see the Liberty Bell, Independence Hall, Ben Franklin's print shop. This all proved of great and enjoyable interest. On Friday they toured the covered bridges in the area and Valley Forge which included the Chapel and the battlefields. Saturday was the Car Show and it was super hot temperature wise....it was a very good show with over 350 beautiful cars on the field. That evening was a social hour and awards banquet. Our Alan and Sharon Kelsey won a trophy for their beautiful 1967 MGB/GT. The trophy in the shape of the Liberty Bell was most attractive. Sunday morning found the group packed up and ready to head home to Minnesota....on the way home the pain in the neck that Indianapolis was proved to be a breeze traveling right straight through the center of town without a delay. The trip proved to be a delight with everyone getting to know each other much better and sharing the experiences.
